Dear Parent / Carer / Staff / Local Resident / Governor,

Consultation about the Re-location and Expansion of Lisburne School

Further to my previous letter dated 11th June 2019, I can now confirm the final decision has been taken to expand and re-locate Lisburne School.

We would like to thank everyone who has taken time to respond. We have heard from parents/carers, staff, members of the local community and other interested parties.

A report detailing the outcomes of consultation was considered by the Council's Cabinet at its meeting on 18th June 2019. Following consideration of the feedback received, the Cabinet decided to publish a statutory notice for the proposal. The statutory notice was published on Wednesday 26th June 2019 and five representations were received.

Following consideration of the representations by the Deputy Chief Executive, the final decision has now been taken, meaning that the school will be expanded and re-located, subject to achieving planning permission.

A copy of the final decision is attached for your information. Full details can also be accessed online at: <https://consultation.stockport.gov.uk/schools/re-location-and-expansion-of-lisburne-school/>.

The Council would like to thank everyone who has taken time to respond. If you have any queries in the meantime, please feel free to contact us at school.estate@stockport.gov.uk

Yours faithfully
